ASHRAF JAMAL JAMEL AL QAISSE

Head of Non-Invasive Cardiac Lab | Senior Echocardiographer | Clinical Educator

+962 79 978 9168 | asharfalqaisi@gmail.com | Amman, Jordan

PROFESSIONAL SUMMARY

Cardiac care specialist with 25+ years of hospital experience, including 16 years in echocardiography and 4 years leading the Non-Invasive Cardiac Lab at Prince Hamza Hospital. Skilled in adult and pediatric echocardiography (2D, Doppler, Color Flow, Stress Echo, TEE). Holds an MSc in Physiology and a 600-hour Advanced Echocardiography diploma from the University of Jordan, brings 3 years of college teaching experience, and since 2020 has served as Internal Clinical Instructor, running 6-month echocardiography courses and cardiac simulation training.

PROFESSIONAL EXPERIENCE

Head of Non-Invasive Cardiac Lab **2022 – Present**

Prince Hamza Hospital, Amman

- Leads the Non-Invasive Cardiac Lab and a team of 7 staff.
- Supervises the provision of medical equipment for the department.
- Trains lab staff and maintains their clinical competency.
- Monitors and fulfils the department's operational needs.

Echocardiographer – Cardiac Imaging Clinic (Part-time) **Oct 2022 – Oct 2024**

International Medical Corps (IMC)

- Ran the clinic's adult and pediatric echocardiography service for refugee patients.
- Wrote complete preliminary reports for the treating physician.
- Referred pediatric cases to pediatric cardiology.

Senior Echocardiographer **2010 – 2022**

Prince Hamza Hospital, Amman

- Performed routine and complex studies across all echo modalities: 2D, Doppler, Color Flow, Stress Echo and TEE.
- Performed pediatric echocardiography independently and wrote preliminary reports for cardiologist sign-off.
- Communicated abnormal findings directly to the cardiologist.
- Held quality assurance responsibilities for the department.
- Supported sonographer training and competency; helped develop and deliver in-service programs.

Senior Nurse – Coronary Care Unit (CCU) **2005 – 2010**

Prince Hamza Hospital, Amman

- Supported CCU management, including nursing staff work assignments.
- Trained and oriented newly hired staff.

Head Nurse – Medical-Surgical Unit **2004 – 2005**

Jordan Hospital (private sector), Amman

- Led an 11-bed unit, later expanded to a 20-bed unit.
- Supervised, assigned and coordinated nursing activities, and evaluated the quality of patient care.

Staff Nurse / Charge Nurse **2000 – 2004**

Jordan Hospital (private sector), Amman

- Delivered comprehensive individual nursing care and administered medications as prescribed.

TEACHING EXPERIENCE

Internal Clinical Instructor – Echocardiography **2020 – Present**

Prince Hamza Hospital, Amman

- Teaches 6-month echocardiography courses to staff joining the department, including trainees sent from Ministry of Health hospitals.
- Delivers simulation-based training in cardiac procedures.
- Trains and orients newly hired department staff.

Physiology Instructor **2011 – 2013**
Rufaida Al-Aslamiya College – Ministry of Health

- Taught the Physiology course to college students.

EDUCATION

Training Diploma – Advanced Echocardiography Technologist (600 hours) **Sep 2021 – Sep 2022**
Center of Consultations and Training, The University of Jordan – with Health Appeal Society

MSc in Physiology **2010**
Faculty of Medicine, Jordan University of Science and Technology (JUST)

- Research focus: echocardiography and cardiac catheterization.

Advanced Diploma in Healthcare Quality Management **Apr – Sep 2013**
German Consultation Center

BSc in Nursing **2000**
Al-Zaytoonah University

LICENSES, CERTIFICATIONS & TRAINING

- **Basic Life Support (BLS) Provider** – American Heart Association (2025)
- **2nd Annual Echocardiography Conference** – accredited by the Saudi Commission for Health Specialties (Nov 2015)
- **Advanced Critical Care & Emergency Nursing** – Ronald Reagan Institute of Emergency Medicine & Jordan Hospital (Apr 2005)
- **ACLS Provider** – cognitive and performance examinations passed (Apr 2003)
- **Basic ECG Analysis** – training course (Mar – Apr 2003)
- **Safety Measures in Hospitals** – workshop (2001)
- **ISO 9002 Quality Management System** – workshop (Mar 2000)

SKILLS
